

OUR ENVIRONMENTAL POLICY

HAN TURİZM İNŞAAT A.Ş. – TURQUOISE HOTEL is fully committed to ensure proactive measures to help protect and sustain the environment for future generations.

We recognise the impact of our operations on the environment and aim to be an increasingly efficient green and environmental hotel. We strive to minimize any detrimental effects as a result of our business.

To achieve this end Turquoise Hotel is taking the following actions:

- To comply with and keep up-to-date by meeting the laws/legislation and other obligations related to environmental aspects and customer requirements,
- To protect and use natural resources in the most efficient way,
- To follow current developments in the carbon footprint law and to organize business activities accordingly,
- We will minimize pollution and wastes and ensure that our hazardous wastes are disposed of in a way that minimizes the environmental impact,
- To increase the environmental responsibility awareness of all our employees by providing trainings to the employees in order to spread the environmental awareness and to encourage them to implement these principles,
- To communicate with all relevant parties and to share information when necessary,
- To support the environmental activities of public and private organizations and to participate in environmental activities,
- To create health, safety and environmental integrity by reducing emergency risks that may occur within the framework of occupational health and safety rules,

The management will be a constant follower of the implementation of the environmental policy and objectives to which it is committed.

By working together we can contribute to making a cleaner and safer environment!
